it is always assumed that whatever is not included in the wording is meant not to be included

"teen pregnancy is a large and complex social problem affecting our entire community," said Liz Eickman, director; Kirkpatrick Family Fund

that they just don't realize how they're being set up to be blindsided "in a batch process, you might

their pregnancies, like gestational diabetes or preeclampsia, and are also at higher risk for a cesarean

but most interesting of all was a man who was very boozed

de Japanners gebruikten methamfetaminen op kristalbasis omdat dit goed oplosbaar is in water en daardoor

it’s been harder this go around for me to ween myself
