with Richard Gasquet in the semi-finals and Bartoli in the women's final, there was a realisation that these championships had the potential to become like Wimbledon. There's plenty of other fires to put out...it doesn't seem to be on their radar at the moment.

A family might have to interview as many as a dozen caregivers before finding someone who is compatible and acceptable to their loved one. 

With a penetrating chest wound, air can take an easier route. Barrett's esophagus stricture.

Noncomedogenic products have been tested and proven not to clog pores and cause acne.

Some of these players have been running interesting pilots, which they are now aiming to scale up.
