maybe your child just finished college and doesn't know whether she will go to grad school or will have kids.

Drank more wine than water, and the medieval ages saw the rise of liquor, beer, and other intoxicants.

He nearly stabbed his own brother in a fight over drugs, but instead drove himself to a hospital and demanded to be admitted to the psychiatric ward.

Attach the fuel cap end with the 3 little screws, and put the clamp on that holds the filler neck to the inner part of the box.
